

1. Click the "WEBSITE" button to access the  page
2. Click the "FRAMES" menu at the top of  page
3. Under "STANDARD FRAME", choose "Regular Frames". (There are a wide selection to choose right pane)
4. Select any of the "Best Sellers" frames. For example, choose default for 8x10 Satin Black Picture Frames (Do not worry about this dimension - You will have the option to choose your appropriate dimension sizes for your artwork, later)
5. On the customize page, choose dimensions for the exact width and height of your purchased artwork
6. Choose **MAT** - Select if you want borders around artwork (No Mat = no border, or with Top or Bottom means yes). Interactively, the frame being customized visually also displays to the left pane, which is cool
7. Choose the color for your **MAT**.
8. Choose the type of **GLASS** for your frame(3 options to choose from)
9. Select **HARDWARE** type to hang frame (2 options to choose from)
10. Select **BACKING** preference for your back of the frame (3 to choose from).
11. Click the "Add to Cart" button.
